- HOME LANGUAGE SURVEY EXPLANATION

California Education Code Section 52164.1 requires that parents must complete a Home Language Survey when registering children for school.

Please answer these questions accurately as they CANNOT BE CHANGED at a later time.

The survey asks:

1. What language did your child learn when he/she first began to talk?*
2. What language does your child most frequently speak at home?*
3. What language do you (the parent or guardian) most frequently use when speaking with your child?*
4. What language is most often spoken by the adults at home?

****If you answer any other language than English on the first three questions, your child will be required by State and Federal law (Title III of the Every Student Succeeds Act [ESSA]) to take the English Language Proficiency Assessment for California (ELPAC). This will test your child in reading, writing, listening and speaking in academic and social English.***

Based on these results your child will either be labeled as:

English Learner (EL)

OR

Fluent English Proficient (FEP)

Students who are labeled as English Learner (EL) will be required to participate in an English Language Development Program and test every year (K-12) until they are identified as proficient in English.
